FIRE AN

NEW HEROES

A new danger is coming. Sir Fangar and his Ice Hunters have one aim: to cover Chima completely with ice. Our only hope is the legendary Fire CHI, which is guarded by the Phoenix Tribe high up on Mount Cavora.

Fluminox

The King of the Phoenixes

The **wise ruler** of the secret **Phoenix City** is thousands of years old. He is a **fierce fighter** and the guardian of the rare **Fire CHI**.

Flinx

The Phoenix Prince

Although he is several centuries old, **Flinx** still behaves as if he were a **nine-year-old**. Perhaps that is the reason he hasn't got **any fire wings yet**.

Tormak

General of the Palace Guard

He is the **leader of the Palace Guard** in Phoenix City and a good friend to King Fluminox. He does not have a very good sense of humour. Grrrrrr!

Li'Ella

The brave Lion warrior girl

She is the **most beautiful creature** in all of Chima, and a valuable fighter in the **battle against the Ice Hunters**. Li'Ella is **extremely strong** and can take good care of herself.

D ICE!

NEW ENEMIES

Sir Fangar

The leader of the Ice Hunters

This **mad Saber-Tooth Tiger** has unified the **Hunter Tribes** so that he can conquer Chima and **encase it in ice**. His **hobby** is collecting **ice statues** of other animals. Everything he touches with his **staff** is **instantly frozen**!

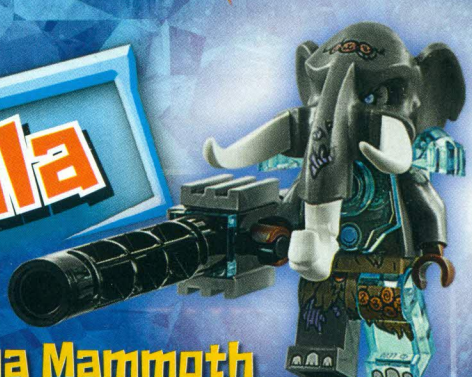
CHI BONUS 1

One of Maula's sons has hidden himself somewhere on the page. Can you find him?

Vardy

The lazy Vulture

Vultures are **lazy**! But don't be fooled into thinking they are not good fighters. Vardy leads **the Vulture clan** and is **very patient**. This makes him **really good at setting traps**.



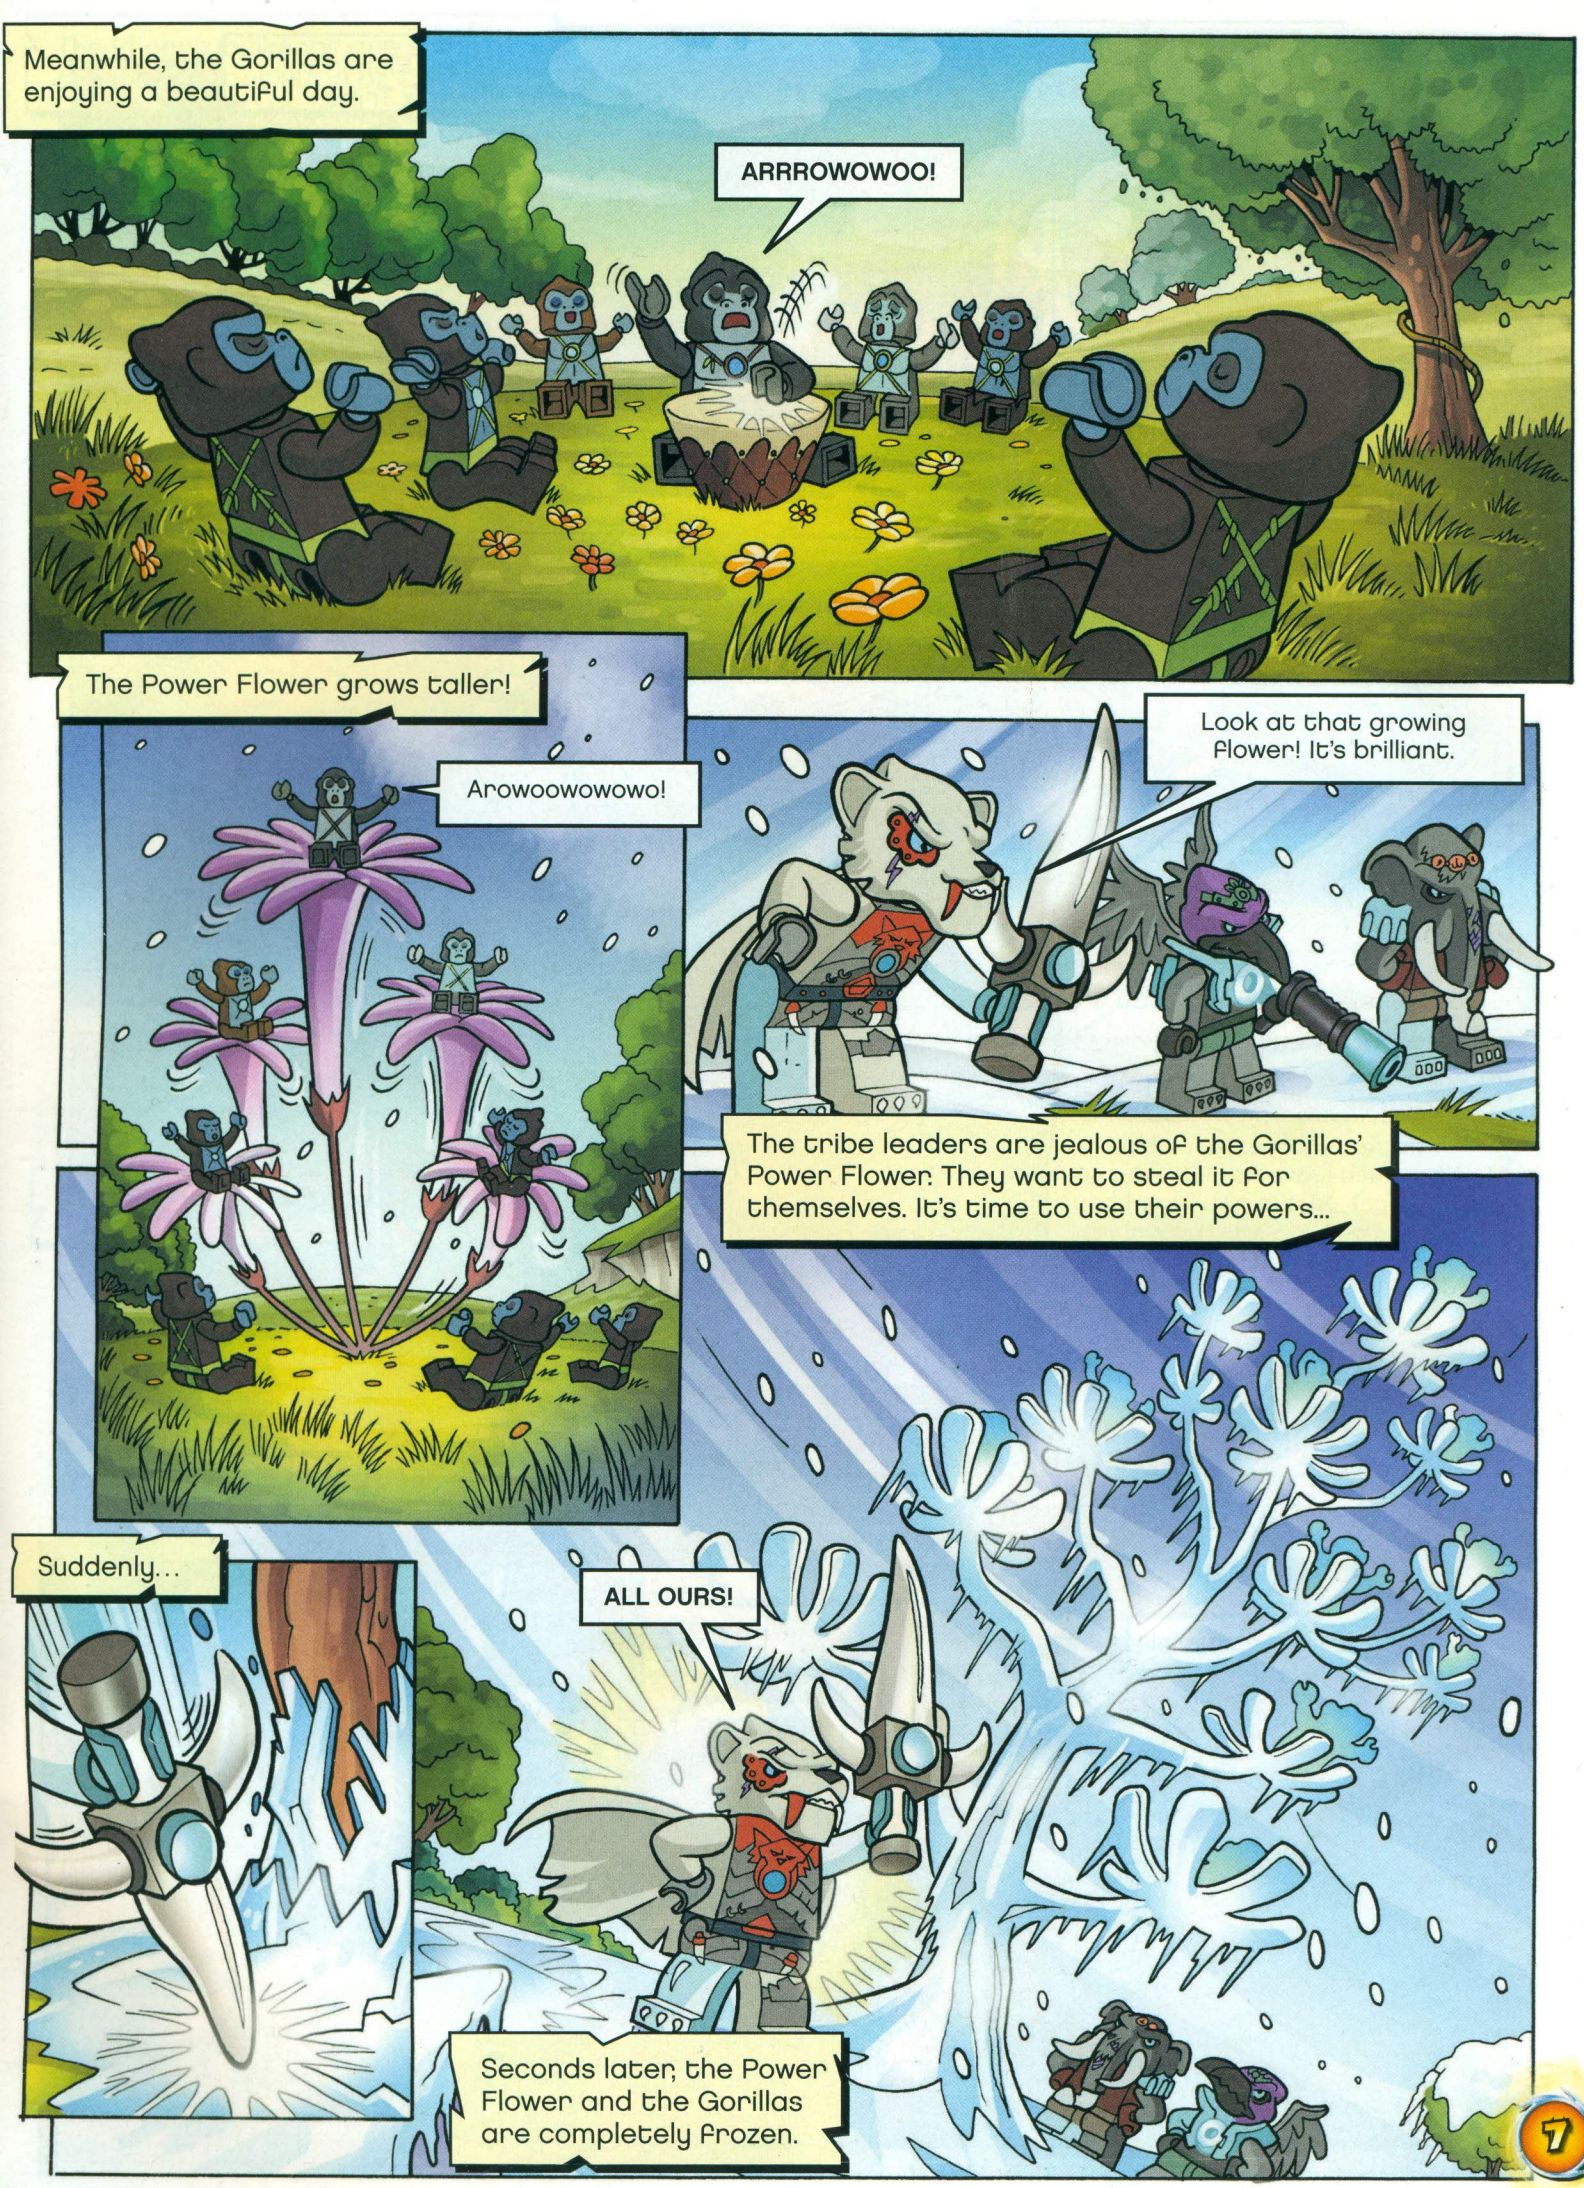
Maula

The Mama Mammoth

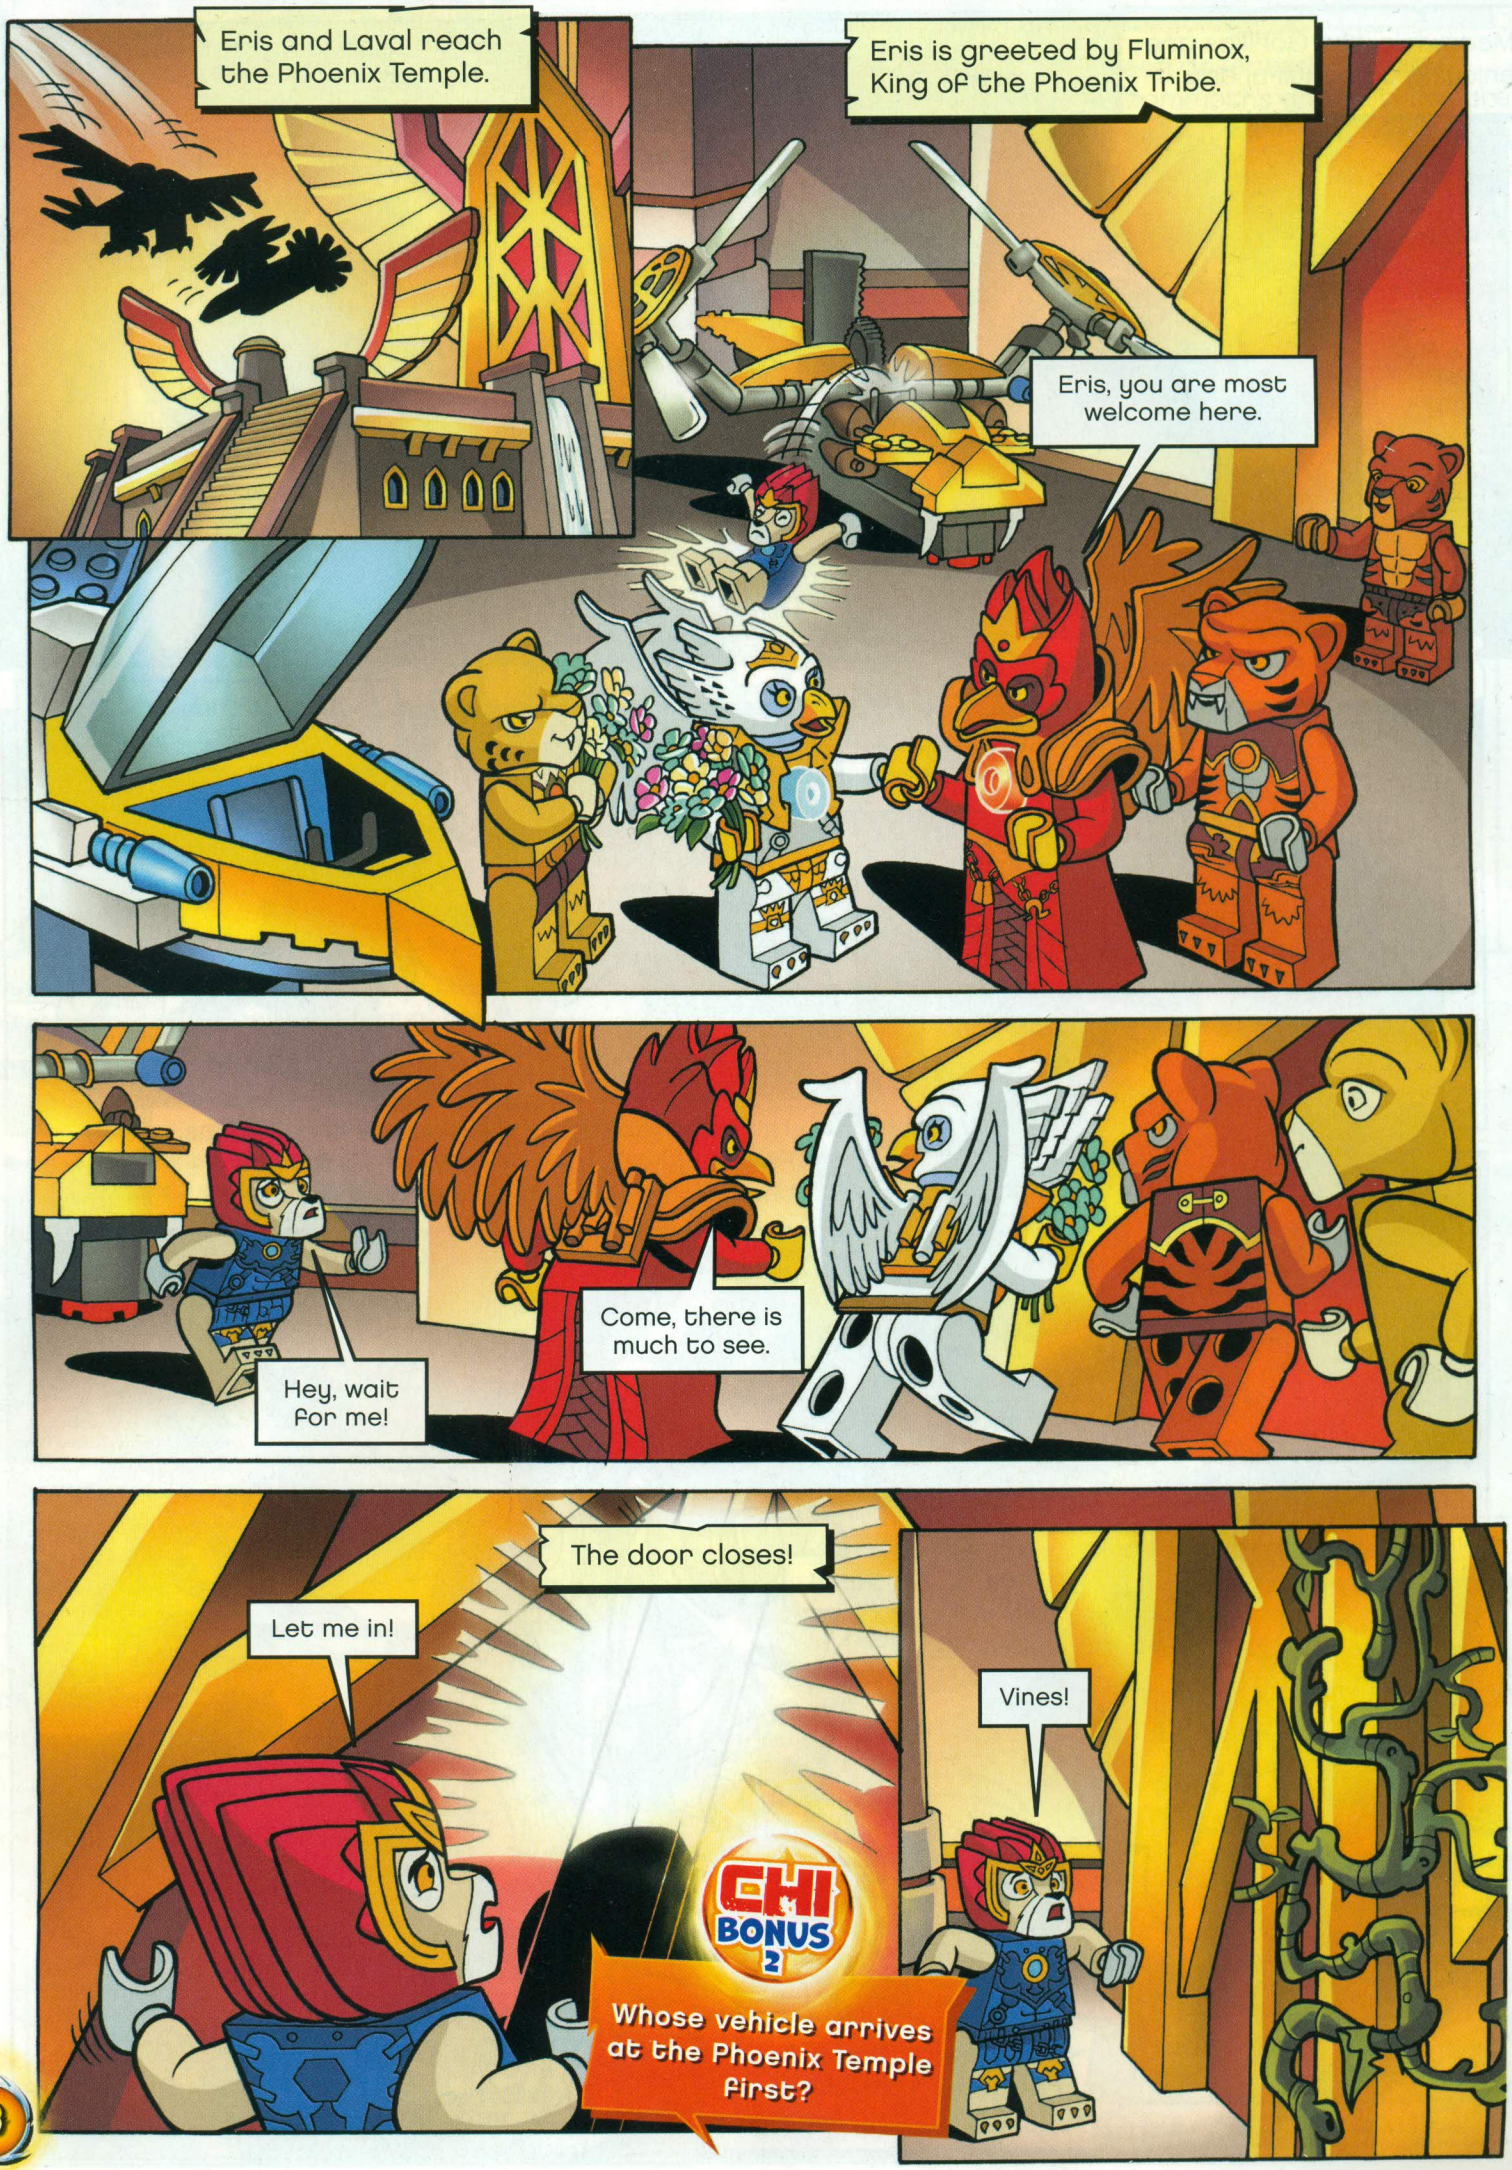
This mean Mammoth mother usually hangs out with her sons **Mungus** and **Mottrot**. Although she is **bossy** to her children, she **adores** them. Don't you dare try and hurt her **darling boys**!

Are you ready to find out more? Now read the **COMIC** on the following pages!

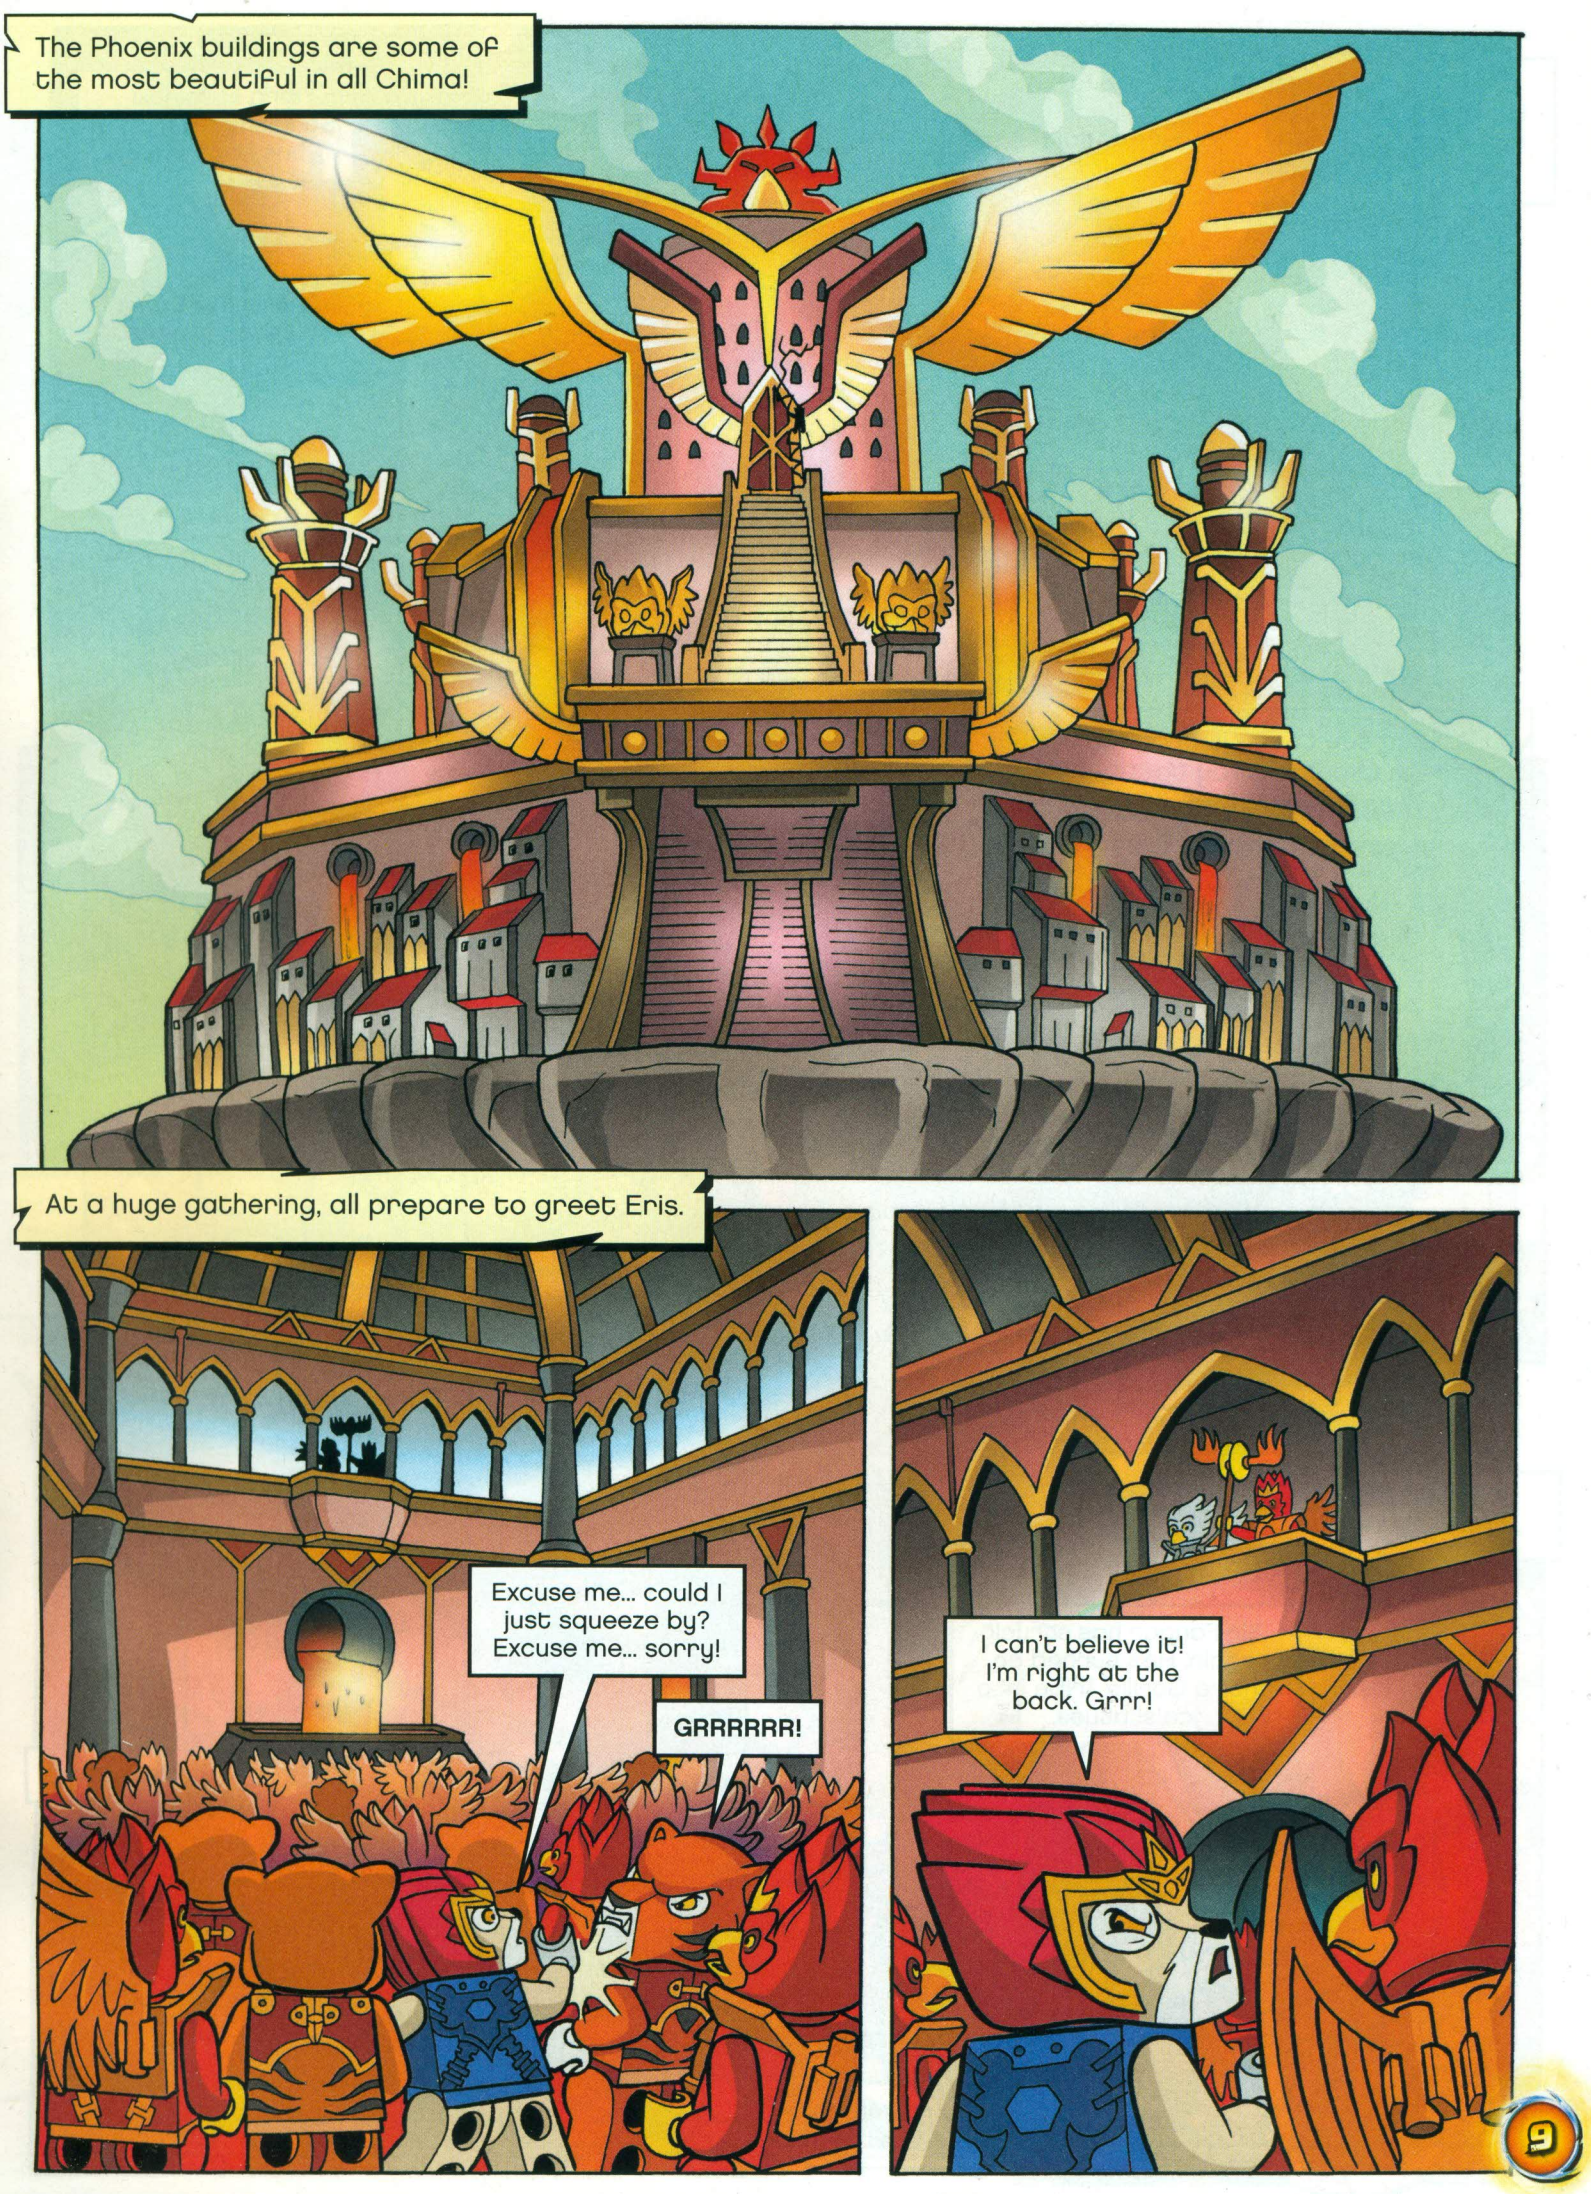
The Crawlers have been defeated! But now Saber-Tooth Tigers, Mammoths and Vultures are striking terror throughout all of Chima.
FRIEND OR FOE?
PART 1
The Phoenix Tribe, who live inside Mount Cavora, have promised to help. But Laval has doubts...
I don't trust those fire birds. First they leave us to fight the Scorpions on our own. Now they want to make Eris a Phoenix!
You should trust them. They're the oldest tribe in Chima!
Come back, Eris! King LaGravis has forbidden us to travel alone. The blizzards are too dangerous.
Stop worrying! The Phoenixes will look after me. They're going to show me their palace!
Laval is suspicious. Why wasn't he asked along too?
I'm coming with you! I need to know what's happening.
Come on, then!



Meanwhile, the Gorillas are enjoying a beautiful day.
ARRROWOWOO!
The Power Flower grows taller!
Arowoowowowo!
Look at that growing flower! It's brilliant.
The tribe leaders are jealous of the Gorillas' Power Flower. They want to steal it for themselves. It's time to use their powers...
Suddenly...
ALL OURS!
Seconds later, the Power Flower and the Gorillas are completely frozen.



Eris and Laval reach the Phoenix Temple.
Eris is greeted by Fluminox, King of the Phoenix Tribe.
Eris, you are most welcome here.
Hey, wait for me!
Come, there is much to see.
The door closes!
Let me in!
Vines!
CHI BONUS 2
Whose vehicle arrives at the Phoenix Temple first?



The Phoenix buildings are some of the most beautiful in all Chima!
At a huge gathering, all prepare to greet Eris.
Excuse me... could I just squeeze by? Excuse me... sorry!
GRRRRRR!
I can't believe it! I'm right at the back. Grrr!

The Eagles are descendants of the Phoenixes. They watched over Chima in our absence. We bring Eris here today to give our thanks, and...
King Fluminox! Something terrible has happened!
Laval can see there is trouble, but he is too far away to hear what is being said.
Sir Fangar has struck again. He's turned an entire Gorilla Tribe into ice statues.
Gorzan! I must help them.
Let me through! I must find out what's happening!
YOU AGAIN!

Eris, I have an important request. Would you go with my son Flinx to help the Gorillas?
Is there a problem?
Yes, Your Majesty.
But this name means nothing.
Guards!
Hey! Get your paws off me!
It's all right. Laval is my friend.
Who is this cheeky young Lion? Li'Ella, do you know him?
I've never seen him before.
What do you mean you don't know who I am? I am Laval, son of King LaGravis.
Normally, the fiery wings of a Phoenix will melt any ice. But Flinx does not have proper wings yet. That is why I am giving you this.
That looks like –
Yes! It's Fire CHI.

THE PHOENIXES

MASTERS OF THE FIRE CHI!

These fire birds have watched over Chima for centuries. But until recently no-one even knew they existed.

FLUMINOX
the Phoenix King

High above Chima, King Fluminox rules in the **Fire Temple**. He loves to **sit down and think**, especially about the **problems of Chima.** He is determined to keep Chima **safe**!

FLINX
the Phoenix boy

The **son of Fluminox** is a very unusual Phoenix because he has **no fire wings**! His father doesn't like this because he thinks a Phoenix is not complete without wings! But Flinx doesn't care.

FOLTRAX
the master pilot

For centuries, Foltrax has hoped to fly with the **Blazing Bastion**! Since the **awakening** of his people he can now finally go to King Fluminox with his **crazy stunts**! But it's okay because he's the **best pilot.**

THE HISTORY OF THE PHOENIXES

Over a thousand years ago, Chima was a wild place. The legendary **Sir Fangar** and his mean henchmen wanted to keep Chima wild. So they started the **battle against the Phoenixes**. Only with the help of the **Great Enlightenment** was it possible to drive off the **Ice Hunters**. After that, the Phoenixes left the **wild Chima** and **hid** on **Mount Cavora**. But now all that has changed! They are ready to **fight once more**!

You can cut your page out here!

THE FIRE CHI!
There is only one thing that really helps in the fight against the Ice Hunters: Fire CHI. It produces a mighty CHI-Up that protects against ice! Our heroes' weapons are even stronger with Fire CHI and their vehicles are transformed into fire-spitting combat robots!
FIRE SPEEDORZ
The lightning-fast Speedorz are already terrific without Fire CHI, but they really come to life when they get a boost of fire power! They grow mighty claws or wings of flame that they can use to attack enemy Speedorz and melt ice.

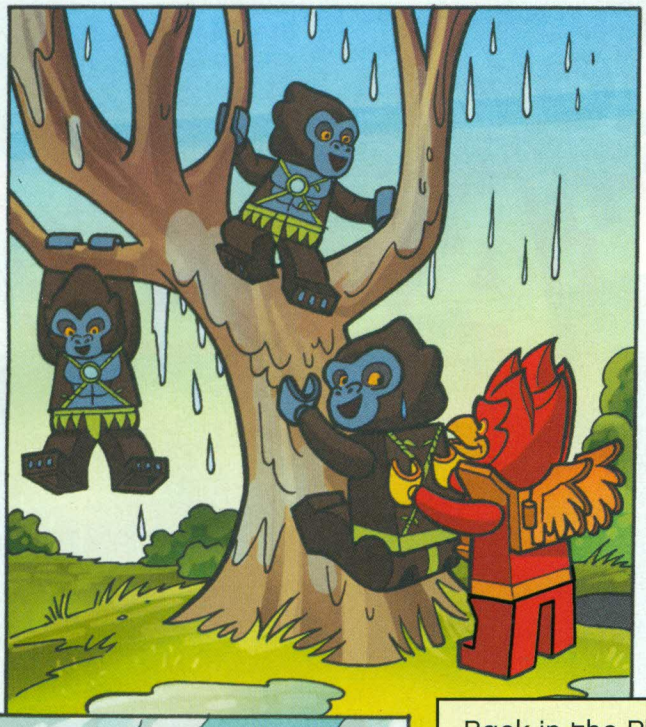
FRIEND OR FOE?
PART 2
With the Fire CHI in his hands, Laval feels more powerful than he has for a long time.
VULTURES!
Vardy appears out of nowhere with Vornon and VoomVoom.
We must use the Fire CHI!
No! It's for rescuing the Gorillas!
A swift attack and the Eagle Interceptor drags the friends down with it.

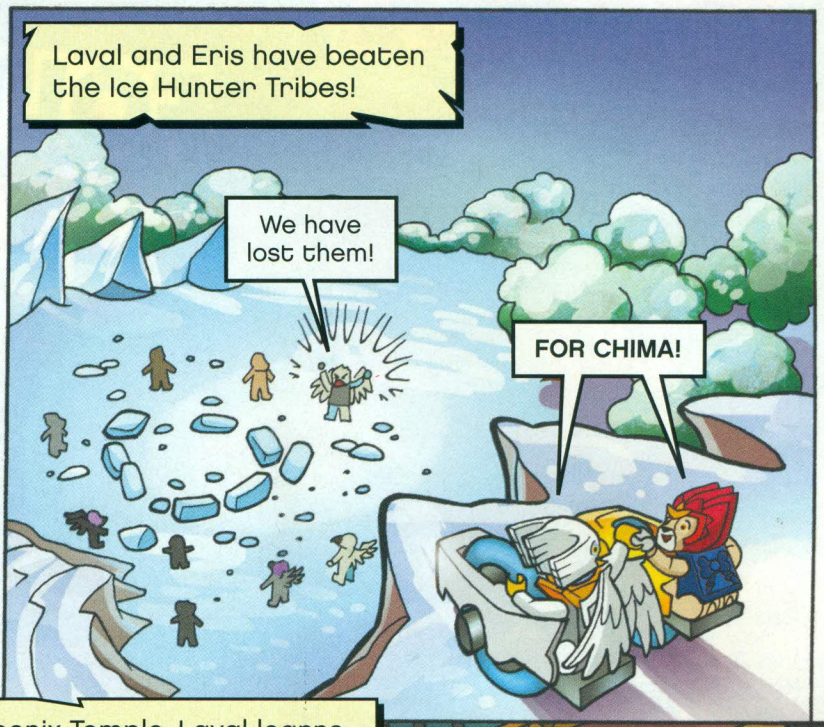
Why can't we ever just reach our destination in one piece?
I wish I had wings like yours.
We've arrived!
The Saber-Tooth Tigers and Mammoths are building an ice home for Sir Fangar.
I think it needs to be a bit further to the right. I want to have a perfect view of my new ice flower!
We're Mammoths, not snow shovels!
CHI BONUS 7
How many Gorillas were frozen in the ice tree?

As long as they're busy with their igloo, the way is clear for us.
Beware. Three warmbloods are hiding somewhere nearby. And one of them is a Phoenix.
A Phoenix? I've always wanted to have a Phoenix ice sculpture. Stealthor, keep your eyes peeled!
Our young heroes are in danger from the Ice Hunter tribes!
You can rely on me, Sir Fangar.
I could be turned into an i... ice sculpture?
Don't worry. It won't come to that.
Look!
This Fire CHI isn't Fire CHI at all!

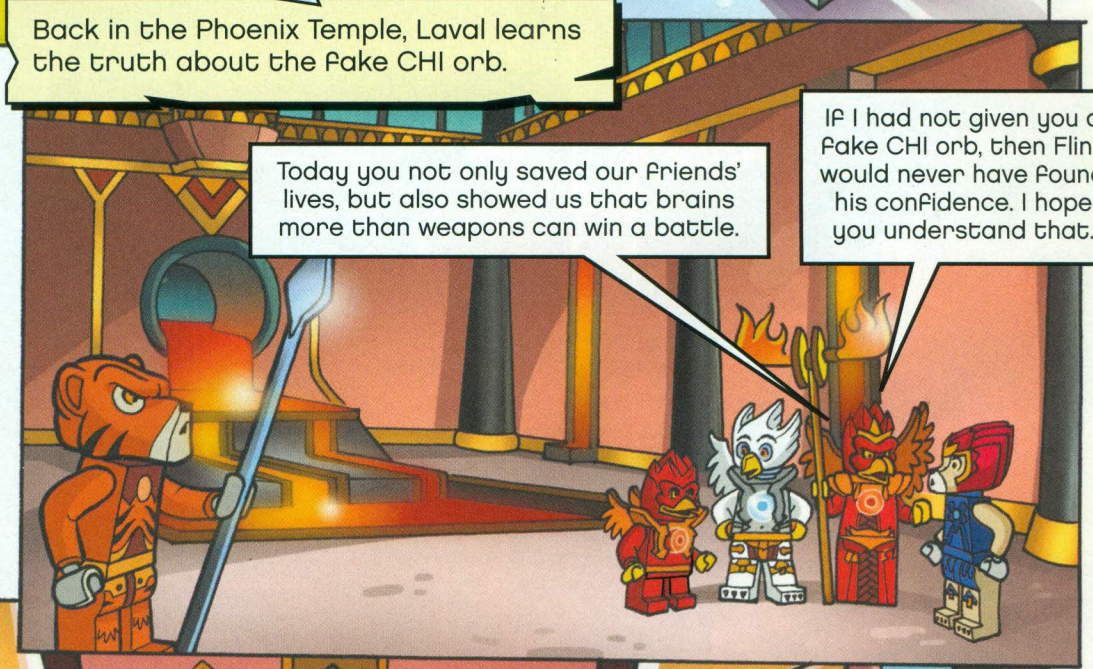
Laval had always been suspicious of the Phoenixes.
They are working against us. I knew it all along!
He would never do that! My father is a good Phoenix!
What are we going to do now?
Perhaps you don't have the Fire CHI, but you still have a Phoenix! If you can distract Sir Fangar, I will start a fire and unfreeze the Gorillas.
My fire wings may not yet be fully developed, but perhaps they are big enough.
We'll start a diversion, you start a fire.
How are you going to start a fire with your little wings?
CHI BONUS 8
Laval, Flinx and Eris think they are alone. But a mean Vulture is hiding somewhere on this page. Can you find it?
Within the jungle, the heroes find something to help them win!
Our spare Speedorz!
We must find a way to dodge their ice blasts. If only we were faster than them!
Ever since the attack by the Crawlers, the heroes have hidden Speedorz and weapons all over Chima.

You'll never catch us.
Come on, little wings! I have faith in you!
It is now up to the brave young Phoenix.
It works!
AROOWOWOW!





Laval and Eris have beaten the Ice Hunter Tribes!
We have lost them!
FOR CHIMA!



Back in the Phoenix Temple, Laval learns the truth about the fake CHI orb.
Today you not only saved our friends' lives, but also showed us that brains more than weapons can win a battle.
If I had not given you a fake CHI orb, then Flinx would never have found his confidence. I hope you understand that.

And now it is YOUR turn to see my city, Laval!
